RESTORE ILLINOIS

A Public Health Approach To Safely Reopen Our State

PART OF PHASE 4 OF RESTORE ILLINOIS PLAN

APPLICABLE TO EACH REGION UPON TRANSITION TO PHASE IV | ISSUED ON JUNE 22, 2020 | EARLIEST EFFECTIVE DATE JUNE 26, 2020

The Revitalization Phase of the Restore Illinois public health approach to reopening the Illinois economy includes larger gathering sizes, additional businesses reopening and increased capacities. We must all continue to social distance, frequently wash our hands and cover our faces to maintain progress in overcoming COVID-19.

PHASE IV GOLF OPERATIONAL RESTRICTIONS

Effective Date: June 26, 2020

- With the precautions and operational restrictions outlined below, golf shall be permitted as a recreational activity, effective 6:00AM, June 26, 2020. In addition to the general social distancing standards set forth in the Executive Order, golf courses and golfers need to abide by the following controls.

GOLF CLUBS AND MANAGEMENT

i. Minimum guidelines

- Groups must be spaced in tee times intervals so as to limit congregation before, during and after the round.
- Signage describing operational changes including: no congregating in groups larger than 50, increased frequency of cleaning, no handshakes, and maintain social distancing between players.
- Driving ranges, practice ranges, chipping greens, and putting greens are permitted. Golfers should remain a minimum six feet apart when within each other in these areas.
- Dual-rider Motorized golf carts and pull carts are permitted. If two people who do not live in the same household share a cart, they should both wear face coverings while in the cart. Golf courses shall sanitize each cart after each use.
- Individual caddies are permitted. Caddies should wear face coverings when within six feet of a golfer or caddie. The golf club should have updated parental consent for all caddies under 18. Caddies should not congregate in groups larger than 50.
- Proshops may reopen so long as they comply with the [Retail Guidelines](#).
- Beverage carts are permissible.
- Hand sanitizer and soap should be present in all restrooms, including those on the course. Restrooms should be sanitized regularly.
- Locker rooms and showers should be configured with signage, tape, and other markings to ensure members can maintain 6-ft. of social distance.
- Group activities (outings, league play, and other organized events) and shotgun starts are permitted. Golf courses should develop procedures to ensure that individuals do not congregate in groups excess of 50 before or after the activity.
- Clubhouses can open and operate any permissible activity set forth in the [Phase 4 guidelines](#)

12. Restaurants and halfway houses can operate in accordance with the [Indoor and outdoor dining guidelines](#)
13. Outdoor golf lessons are permissible for individuals and groups of 50 or less, including the golf instructor(s). Individuals should remain a minimum six feet apart during the lesson, or wear facecoverings when within six feet of each other. Individuals should only handle their own golf clubs.
14. Golf club storage/bag rooms are permissible. Individuals should remain a minimum six feet apart or wear face-coverings when within six feet of each other.
15. Indoor golf facilities (simulators, learning centers, etc.) are permissible and should follow the [indoor recreation guidelines](#)

ii. Encouraged best practices
